The Designer

As you may have noticed, Maggie is very much a woman, but it's as a designer of alternative men's clothing that Lloyd Johnson has built up his reputation.

The generally fifties-based styling has won Johnson a good deal of commercial success from his King's Road shop, and future designs and ideas will probably be marketed with the same image in mind.

Photos by Janet Worth

Plastic, as if you hadn't noticed, is the in thing at the moment . . . as long as it's shiny and black. The mac worn here to such devastating effect by Maggie is a creation of London-based designer Lloyd Johnson, as is the rest of the gear shown off by the gun-toting beauty.

A mac from your High St draper's will probably be just as waterproof, but style ain't cheap, and this one from Johnson's shop in the King's Road will set you back £44.

Black cap chic comes in at £25, from the same outlet. Sunglasses, either black-mirrored or gold-rimmed, are £10.50 a pair.

That exquisite turquoise leather jacket (which, thankfully, Maggie chose not to zip up) is £95 – bring your own sleeves – and the ring adorning her left hand is £6.50. Both, again, from Johnson's.

The suspenders and camiknickers (where would we be without them . . .?) are available at Night Owls, Fulham Road, at £8.95 and £46 respectively.

Knightsbridge is where you'll find the rest of the gear, in the shape of Rider, suppliers of the black leather shoes at £39, and Harvey Nichols, from whence came the earrings, necklace and stockings.

AFFECTIONATELY YOURS

The pictures on this page feature June, from London, who can be summed up as simply delicious. We're eternally grateful to her, and boyfriend Steve, for tempting our taste buds.

Opposite: Mike assures us he doesn't always keep Nici captive behind an upright bed down there in Somerset, but it's easy to understand why he wants to keep her all to himself.

READERS WRITES

continued from page 6

again his hands went inside my dress and soon we were wrestling on the floor, his cock firmly in my mouth, his fingers shoved crudely into my snatch.

Pretty soon we were completely naked, and very much the star turn of the party. We performed an outrageously obscene and exhibitionistic 69, after which he started to fuck me doggie-fashion – and it was then that his buddies decided they, too, wanted a piece of the action.

Four guys took a hold of my wrists and ankles, holding my legs so wide apart it was almost painful. A seemingly never-ending succession of guys humped me and finger-fucked both my holes, while the party host straddled my chest and proceeded to fuck my tits, squeezing my nipples, pulling my hair and finally whacking off over my face. I was covered in cum, piss and beer, but my clit was so inflamed I still wanted more, although at least seven guys must already have fucked me to orgasm.

While my days of making a 'sexhibition' of myself at parties are over, I'm still as hot for the sight, taste and smell of cock as I was as a horny teenager, and before I get too old I'm desperately keen to try to fuck three guys simultaneously. Every porno magazine you pick up these days seems to feature this remarkable feat, and I for one don't want to be left out of the action.

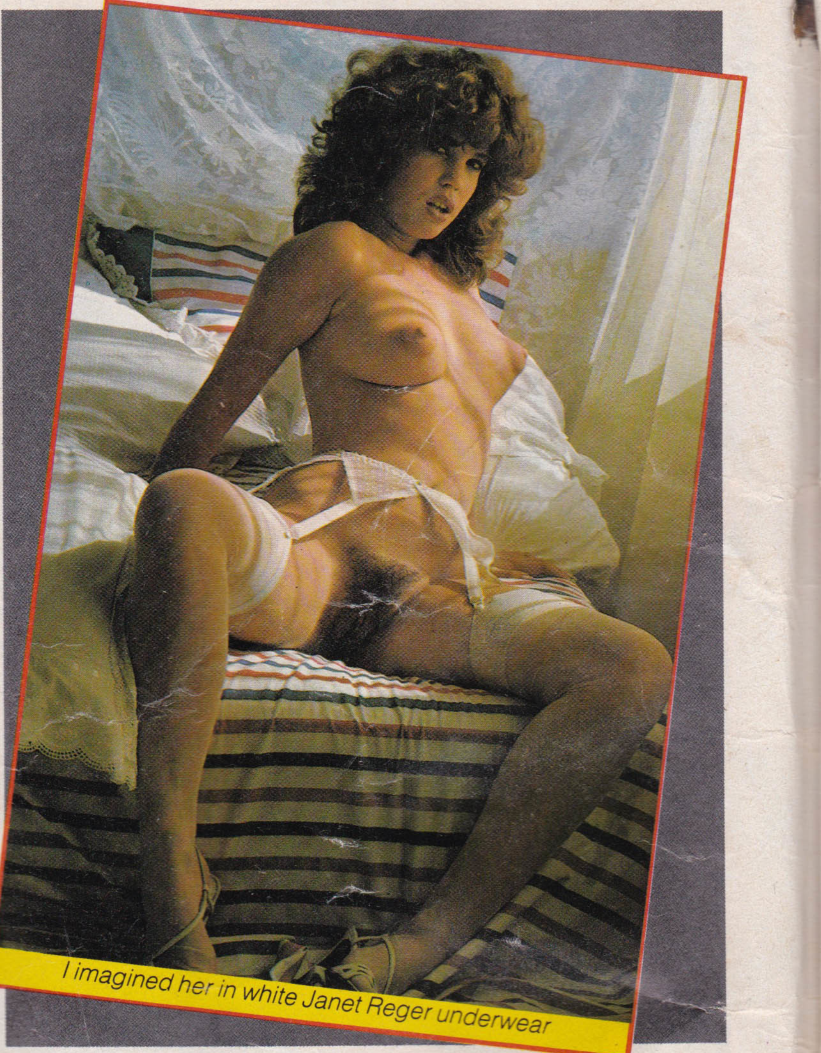
Pantie Party

When I was younger, I found myself becoming very attracted to ladies' underwear, which I found was very pleasant to touch.

During a wanking session one afternoon when I was alone in the house, I noticed from my bedroom window that one of our neighbours, Sheila, was sunbathing in her garden. I had been thinking about her for weeks and found myself fantasising about her during just such wanking sessions. I remember imagining her in the white Janet Reger underwear I was wearing at the time.

She was about 34, slim, dark and very attractive. This particular afternoon she was wearing shorts and a bikini top. I spent the afternoon with my binoculars in one hand and my rigid eight inches in the other. I kept imagining her in all different types of underwear – French knickers, low-cut bras, silk suspender belts and tight, small see-through panties.



I imagined her in white Janet Reger underwear

I couldn't wait any longer, so I bravely decided to go and see for myself what kind of knickers she wore and if she wore a bra. Knocking on the door with a feeble excuse of wanting to borrow something at the ready, I was greeted by another neighbour, Doreen.

We talked a bit and then (you can imagine my surprise) I was suddenly asked if I'd like to join them for tea. I jumped at the chance. Inside, Sheila and Doreen started talking about a party.

"What party?" I asked. And Sheila replied: "It's an underwear party."

Sheila laughed and Doreen said: "I bet he would like to come to the party and see all the local housewives trying on and taking off sexy pants and bras." Without thinking, I replied that I most certainly would.

"Why don't we have a party of our own now?" asked Doreen. She walked over to Sheila and whispered something in her ear. I sat eagerly waiting, then Sheila led me upstairs to her bedroom and told me to wait there.

Five minutes later, they both appeared at the door. I could not believe my eyes. They were wearing identical Janet Reger bras, knickers, suspenders and black stockings – my favourites! Sitting on the bed I could remember how soft and silky those panties felt against my knob. Sheila wore white and Doreen wore black.

I could see Sheila's nipples in all their delicious glory through her bra, and her jet black pubic hair was clearly visible through her knickers. Doreen's tits were obviously quite a lot bigger than Sheila's, but still firm and tight.

I really quite ignored Doreen for the next hour. It was Sheila I wanted, and I got her. Doreen let me touch her body, but she didn't want to be fucked. Sheila, though, was fantastic.

She stripped me and let me kiss her all over: I kept touching and petting her tits and p[illegible] through her underwear. Wh[illegible] could stand it no more, I carefully removed her underwear, except her susper[illegible] and stockings. Sheila [illegible]ked and stroked my knob, a[illegible] when we finally fucked I h[illegible] the best orgasm of my life.

AFFECTIONATELY YOURS

The pictures on this page feature June, from London, who can be summed up as simply delicious. We're eternally grateful to her, and boyfriend Steve, for tempting our taste buds.

Opposite: Mike assures us he doesn't always keep Nici captive behind an upright bed down there in Somerset, but it's easy to understand why he wants to keep her all to himself.

LIFE WITH Linzi

soon so I can cash in on that one as well.

When I was in San Francisco three summers ago I went to one of the *Hot Tub Clubs* there. They really are free-for-all orgies in the most luxuriant surroundings. Everyone there just strips off and gets into huge Jacuzzis which are big enough for about a dozen or so people.

A lot of couples tend to go to these clubs. After first making it with their original partner they gradually become more adventurous, see who they fancy and off they go.

Weird Scene

I found it quite a weird scene. Some ladies would end up screwing all the guys in their tub and then move on to the next Jacuzzifull. I wasn't really into this, partly because I just didn't fancy that many of the blokes there.

Orgies aren't really my thing either, although I really get off on watching other couples fucking. Then I like to slink off with a fanciable male and have some fun myself. But to fuck in a big crowd I find a bit odd.

The 'Swingers' parties that are around today are a pain in the arse, and I never go. Everything is so organised. You must go with a partner and you both have to 'swing'. I think, translated, that means fuck anybody who asks you to.

This New Year's Eve though, I went to an amazing party which turned into an orgy, although it wasn't planned that way. It was so full of horny people that everybody just did what they wanted to do and had a ball. The only problem was that every time I watched another couple screwing I felt horny all over again. I ended up being fucked so many times I wondered if I'd ever be able to walk out of the party on my jelly-like legs. All I needed was a big strong man to carry me to my car . . .

Speaking of cars – how many times have you tried successfully or unsuccessfully to screw in a car? When I was living at home with my parents and dating local boys, a car was the only place to have a good old grope. Looking back now, I remember it was so uncomfy. But you were so enthusiastic it didn't seem to matter at the time. It was the next morning you thought of it, with your back aching and covered in bruises.

I've got a two-seater sports car at the moment, so there's no chance there. I suppose it would be all right to stop in a lay-by though, and fuck over the bonnet, doggy fashion – looks like engine trouble. It's fine unless some helpful do-gooder stops to lend a hand . . .

The only times I've really enjoyed screwing in cars was in limousines. I'm into a bit of comfort these days. Once was in Fort Lauderdale, Miami, and the chauffeur was doing the necessary – driving, I mean, although he was probably wanking himself silly while watching in his mirror as well. The other time was in a Rolls Royce parked up in good old Richmond Park. How terribly British. Passers-by were far more interested in the wildlife than us!

Everyone always asks me if I get turned on by posing for sexy pictures, but it's really difficult to give a definite yes or no on that one. Sometimes I could be miles away thinking about some problem or other, or even wondering what's for lunch. Yet other times you can be involved in your own little fantasy, all glammed up with sparkly eyes, pouty red lips, and dressed in clinging silky lingerie, sheer stockings and spiky heels.

I love posing when there's a mirror on the set as I like watching myself getting into it. I keep being reminded by the photographer to take a look at the camera.

Horny Afternoon

I've not had many scenes with photographers. They're not generally my type. But I remember one very horny afternoon with a top glamour photographer.

We met in a wine bar near his studio and had a quick drink and a chat about the shoot we were going to do that afternoon. I could tell he liked my boobs as his eyes kept returning to my cleavage. I thought he'd probably seen more boobs than I'd had hot dinners, but that didn't seem to dampen his ardour for mine.

No sooner was I in my dressing room, changing into a tight red swimsuit, when he came up behind me and rubbed his beautiful swollen cock on my bum. His assistant was busy setting up his lights while I knelt and unzipped his flies.

I took him in my mouth and sucked him until he was just about ready to come. Then I plunged it between my boobs and he exploded his warm juices all over me.

As you can imagine, it was with difficulty that we did the topless shots of me wriggling out of the swimsuit that afternoon. We both fancied less work and a little more play. An hour later he sent his assistant home and we completely destroyed the pretty seaside set we'd been photographing. Unfortunately we didn't have the warm Mediterranean lapping at our bodies but we were both so horny we didn't seem to notice the gritty fake sand as we writhed around all over the place.

It's funny, really. I've worked for him a couple of times since, but there have always been clients, assistants or somebody or other around, so it's never happened again. The fact that it was so spontaneous and unexpected was what made it a really great afternoon never to be repeated. Well, not yet, anyway. I wonder if I've still got his telephone number somewhere?

Heart Attack

Back to the present. I did a nice little job last week for the BBC, working on the *Dave Allen Show*. Myself and a model friend of mine, Allison, went on location to the Forest of Dean.

We were playing Edwardian strippers. Dave Allen and his opponent were a couple of geriatrics engaged in a duel. But instead of using regular pistols or whatever, they used us – strippers. The loser was the first to have a heart attack from too much excitement.

I stripped out of some lovely period undies, all corsets and bloomers which were terribly sexy, right down to my bare bum. As I did so, Dave Allen's opponent snuffed it. I turned topless to congratulate the winner, smothered him with bosoms, and he popped off too, falling backwards out of his bath chair.

Right – I've done enough reminiscing for one month. It's about time you did some. So, come on, write to me with your amusing or naughty stori Until next time, keep hands on it, chaps. ♣

LIFE WITH Linzi

LINZI DREW, one of the sexiest and most photographed models in Britain, writes exclusively in *Club International* . . .

At eighteen, my best friend and I decided it was about time we lost our virginity. So we decided to do it together – on the same evening, I mean! Both our boyfriends at the time were casual so we thought we'd look elsewhere. Anyway, when we compared notes the next day we thought it was a little overrated. That was six years ago. And if at first you don't succeed try, try, try again. I did, of course, and soon learnt the art of lovemaking – or should I say enjoying a good fuck.

Like I said, that was six years ago, and now . . . have you ever tried to make a list of your ex-lovers and cringed to see just how many 'Thingummyjigs' and 'Whatsernames' appear on that list?

Insipid

The worst ones are the mistakes, when you wake up 'the morning after' with an awful hangover and some insipid unknown man by your side with an early morning raging hard-on. It's OK if it's his place – then you can sneak out on tippitoes and catch the bus home in your best party frock with that 'not tonight, Josephine' hairspray ad look in your eyes. A little embarrassing but bearable. Unbearable, though, if it's your place. Then you've the unpleasant task of throwing him out.

Luckily, I don't seem to get myself into those situations these days. I try never to get drunk. I don't very often drink spirits, usually wine or Bucks Fizz. They seem to make me a little heady – and very horny! A little alcohol turns me on. Too much and you miss all the fun.

It's a real drag as well if your guy drinks too much. There you are, all ready and lusting for him, and all he does is fall asleep. It might sound a little boastful, but that's something which hasn't happened to me – yet.

I love sex in unusual places, which reminds me of a scene from the film *Emanuelle*, when she meets a stranger on an aeroplane and has a really steamy screw in the loo. I think fucking in aeroplanes is known as being in the 'mile-high club'. Unfortunately I'm not a member of that club yet, but there's plenty more flying time left. For the moment my brass four-poster does very nicely, thank you.

Blow-jobs

Another film clip I found amusing and horny was a scene in the film *Shampoo* when everybody is sitting dining at a plush dinner party while one of the guests is enjoying a nice little blow-job from a lady hidden under the table – another activity I must try some time.

I find it very exciting when you are actually doing it with others nearby who aren't aware of the fact. Last summer when it was so beautiful and hot, I was sunbathing in the local cemetery (it sounds a bit morbid but actually it's just a very pretty park) with my flatmate Lindsay. The heat just got to us both.

Lazing around in the sunshine always makes me feel horny. Anyway, we didn't want to lose [illegible] heat of the moment as it w[illegible] so he popped his willy up the leg of my boxer shorts and we were away. People and dogs just wandered by. Whether they thought we were fucking or cuddling I'm not quite sure, but the old gardener kept cutting the same piece of grass around us all afternoon!

Blow-jobs on the highways of Britain are another favourite of mine. I love to go down on a guy when we're haring along the motorway at 80mph. It's amazing. The more you both get into it the faster you seem to be travelling. It's such a tease for men 'cos I'm sure they think you're going to stop just before they come. Of course, I don't. Ejaculation whilst driving is never dangerous as long as you both wear your seatbelts.

Jacuzzi

The bath is another ideal fucking location as far as I'm concerned. I'm dying to get a Jacuzzi installed as just pushing down on those jets o warm water alone can ma orgasm. Because I hav one at present I bath a friend who has. takes a bath with lady every day (wh boy then?). I'll hav
